# YPG Update

- YPG Grants – in areas of newly identified need at Stage 2&5.
- YPG Youth Boost - in existing provision to increase capacity.
- YPG Paid WP – to create 80 paid opportunities for YP.
- YPG Business Admin Course – to support YP to gain sector specific skills in line with demand.

# YPG - Grants

Provider	Project
Adoption UK	<b>E-Project</b> will support specifically adopted young people (AYP) or living in/having lived in kinship care families to plan for their future with links to FE/HE.
Street League	<b>Connected</b> will engage the over 20s YP, providing an outreach and engagement within their local communities via one to one appointments or classroom based activities.
Cyrenians	<b>Getting Together</b> will offer real-life practical experiences to YP from Gypsy Traveller community to build on existing skills and prepare for work.
ENABLE Scotland	<b>Breaking Barriers</b> will offer YP who have learning disabilities support via partnership with Napier University to attain an accredited qualification and achieve employment opportunities.
Move On	<b>Employability Pathway</b> will deliver an employability programme offering a combination of group work and one-to-one support, using a person-centred, flexible and asset-based approach at Stage 2.

# YPG - Grants

Provider	Project
Access to Industry	<b>Access Mechanics</b> in partnership with GTG will deliver a 10-week introduction to mechanics course that will enable YP to gain accredited learning and skills.
Barnardo's	<b>Drive2Work</b> provision is targeted at YP aged 20-24 (exceptions for young people over the age of 17 will apply) with multiple barriers to employment residing on the outskirts of the City Centre. Looking at skills for driving and job opportunities.
Young Enterprise Scotland	<b>Bridge to Business</b> will support YP at Edinburgh College to understand enterprise for employment, including start up grants for x10 YP.
RUTS	<b>INSPIRE</b> will support young people aged 16-24, with barriers to employment to achieve a positive destination including sector specific qualifications and opportunities.
Articulate Cultural Trust	<b>Creative Potentials</b> will deliver a training, work experience, skills and personal development programme preparing care experienced and other disadvantaged young people for a career in the creative industries, including creative qualifications and ongoing support.

# YPG - Youth Boost

Provider	Project
Cyrenians	Keys to College – supporting YP to access and sustain college place.
Access to Industry	Enhancement of EdinMe (MH Support)
Citadel	Expansion of Future Heads
Impact Arts	Expansion of service to SE

# YPG - Paid Work Placements

80 opportunities.

Applications/matching in process, still plenty of opportunities available.

- Mixture of Public & Third sector roles.
- Fully funded at £9.47 per hour for 6 months.
- Summary & private My Job Scotland link shared weekly.
- JUfYP Providers/YPG work in partnership to support YP in role.
