Please refer to the link here <https://www.joinedupforjobs.org/noticeboard/91?category=fundings> for more information about the Vocational Training Framework you will be able to refer YP you work with to, from April this year. Also for those of you who still wish to apply to become a training partner within the Framework - the application are live on PCS.

Susie McIntyre

Unfortunately, no one from my team could make it today but if anyone wants more info about services at CY, particularly AA programme, please contact Jen, [jennifer@canongateyouth.org.uk](mailto:jennifer@canongateyouth.org.uk)

Madeline King

Just wanted to pop in the chat that we have a really exciting project running in partnership with Napier University called Breaking Barriers. This includes an 8-week business course followed by an 8-week work placement with our corporate partners. This is for young people aged 16-25 based in the city of Edinburgh who are currently out of school/employment and who have barriers to pursuing further education/work. This starts in March, and we are currently recruiting! Please feel free to reach out to me on [madeline.king@enable.org.uk](mailto:madeline.king@enable.org.uk)

Shamaine Armstrong
