

# JUfJ / CCP update

August 2019

# Strategic and operational

- No-one left behind
- Edinburgh and South East Scotland City Region Deal
- Procured contracts
- Third Party Grants
- Other projects

# NO ONE LEFT BEHIND

Next Steps for the  
Integration and Alignment of  
Employability Support in Scotland

## Focus on integration and alignment of service and funding

---

- Clients who experience multiple barriers to work: housing issues, health conditions and/or criminal justice
- Alignment of Scottish Government funding
  - Activity Agreements
  - SERI
  - Employability Fund
  - Specialist Employability Support
  - Fair Start Scotland
  - Community Jobs Scotland
- Parental Employment Support Fund
- Managed via SLAED, COSLA, Scottish Government and stakeholders

CAPITAL CITY PARTNERSHIP

# Edinburgh and South East Scotland City Region Deal

---

## Three City Region Deal themes now active under CCP

- Integrated Knowledge Systems – network will be consulted on what new service to replace Caselink will look like
- Integrated Employer Engagement – recruiting a Manager and then staff team of four. Focus on unified employer engagement and branding, and community benefits.
- Intensive Family Support – Development of service approach to working with 144 families region wide

# Procured Contracts

- Next Step – started April 2019 (2+2 years), presence in RSCs, Childcare Hubs and various locations across the City.
- Encompass – Now in 3<sup>rd</sup> year and extended to March 2021. Recent successful evaluation.
- All in Edinburgh – In year 4, extended to March 2021. Evaluation to be published soon.
- Childcare for Working Parents – started April 2019 (3+2 years). More focus on employability support and progression for parents.
