

The image features a black background with a central sparkler that is actively burning, creating a burst of bright orange and yellow sparks that radiate outwards. Overlaid on this scene is a white square frame. Inside the frame, the word "FUSE" is written in a bold, white, sans-serif font, with "FU" on the top line and "SE" on the bottom line. The text is centered within the frame and partially obscures the sparkler's light.
