**JOINED UP
FOR BUSINESS**
Edinburgh's Jobs Strategy

Co-ordinate no wrong door approach for Edinburgh businesses.

- Recruitment & Skills Centres
- Community Benefits Edinburgh
- Employer Recruitment Incentives (EERI) Arrange work placement or work experience opportunities
- General Up-dates

The screenshot shows the 'Employer Resources' page on the 'JOINED UP FOR JOBS' website. The page has a navigation menu with 'About', 'Directory', 'Noticeboard', 'Events', 'Service providers', 'Employers', and 'Job seekers'. The 'Employers' menu item is highlighted. The main heading is 'Employer Resources' with a green underline. Below it is a sub-heading 'Welcome to the Joined Up for Business Employer Resource page'. The text below the sub-heading reads: 'We are here to help your business however we can. This page contains a compilation of regularly updated resources, covering everything from Covid-19 support to best practice. Please contact Employer Engagement Officer [Lauren Fraser](#) to discuss your specific business need.'

Community Benefits

**JOINED UP
FOR BUSINESS**
Edinburgh's Jobs Strategy

- Public Facing Community Benefits Portal that is under development and aiming to soft launch in October 2021. This is being lead by City Region Deal Team in CCP.
- With an aim of giving communities the ability to make direct 'asks' and share their community voice.
- Support and engagement will be offered to all stakeholders in procurement, the third sector and business in the region to promote better understanding and joined up working around community benefits.
- The City Region Deal team are also working to promote the Community Wealth Building agenda in the region, alongside partners at West Lothian Council and Go Beyond.
